To whom it may concern,

My name is Dan Tharp and I'm looking for a remote Engineering/Development/IT Manager position.

I've been in IT for 35+ years and have been managing IT professionals for 25+ years. I've managed teams as small as 3 and as large as 22, as well as managing contractors across multiple time zones (including overseas).

Please see my resume and "references and testimonials" documents and let me know if there's anything else you need from me.
